From the Advancement Director:

Fall Open House – Thank You

A huge thank to our SJR community for adding so much enthusiasm and success to the Fall Open House. We had 16 prospective families tour the school. We are off to a great start to welcoming new families to SJR. We should all be so proud of the “spirit” of the students that toured families. Our students are truly what makes our school “SJR Proud”. Gratitude is also extended to the parents that assisted with making our school “shine”.

Many prospective families heard about the school through our vibrant “voices” that echo daily the values of SJR. Please continue to spread the word that our Pre-K and Kindergarten enrollment is now open.

Just a Thought:

As we begin the season of Advent on Sunday, I thought the following “Attitudes for Advent” might be helpful:

1. **TRUST** – God is always listening!
2. **SEARCH** – for God in others throughout your day.
3. **BE GENEROUS** – Share your time and joy!
4. **RECONCILE** – with God and others.
5. **BE COHERENT** – Match your actions to your beliefs.
6. **LOVE** – others through simple and kind gestures.
7. **BE GRATEFUL** – with God for all of your blessings!
8. **SPEAK** – about God. Don’t be ashamed of Him!
9. **ILLUMINATE** – others with joy. Be a light in the world.
10. **PRAY** – Dedicate some quiet time to God each day.

Spotlight on Kindness: Some days, I get the very nicest emails!

Mrs. Jaster,

I just wanted to take a minute to let you know how impressed I am with **ALL** of the older children that assist in getting the little ones out of the cars and off the busses in the morning. This morning there was one young man in particular who was so sweet with Harper. It wasn't necessarily anything specific that happened, it was just his demeanor. I've worked with children since I've been able to work, the most recent being 14 years in child welfare and the last 3 years working as an individual & family therapist so I've encountered many, many children and I think they're all great in their own way. Because of my background, specifically in child welfare, I'm very picky/overprotective/particular/etc. of whom I'm comfortable being around my children. So I take notice when kids/teens/young adults do a great job. Thank you for picking such great kids to start my daughter's day!
