First Trimester Report Cards

Thank you to the many families who took time to respond to my survey regarding a preference for our report cards. Too, I am grateful to the many parents who took time to explain the reason for their choice.

As a result of the polling and conversation with the faculty, we will be using digital copies of the first trimester report cards for grades 1 – 8. Pre – K and Kindergarten will continue to receive the hard copy reports.

If this process is unsuccessful, we will return to the traditional version for the second trimester.

Spotlight on Kindness:

This week, the faculty and I were treated to a wonderful lunch provided by the Home and School Association. Each month, a thoughtful group of mothers provide a delicious lunch that is enjoyed by every member of the faculty and staff.

At a time of the year when everyone is so very busy, that these women would think of us is a gift in and of itself.

Just a Thought:

This year, it seems that quite a few members of our SJR Family will struggle to celebrate Christmas while missing a loved one. I hope the following helps:

Merry Christmas from Heaven

I still hear the songs,
I still see the lights,

I feel your love on cold winter nights.

I still share your hopes and all of your cares,

I even remind you to say your prayers.

I want to tell you, you still make me proud.

You stand head and shoulders above the crowd.

Keep trying each moment to stay in His grace.

I came here before you to set your place.
