Intruder on Campus Drill

One of the sad commentaries on life today is that we must prepare our child to deal with the unthinkable. In understand the concept of an intruder is most upsetting to all of us. However, please know, that the faculty and I keep the safety of our children in the forefront of our minds in all that we do each day.

The children and the faculty and staff appeared to handle our Intruder Drill with outward calm and quiet. Afterwards, everyone went back to their normal activities – with five extra minutes of lunch recess, too!

Thank you for entrusting your children to our care!

PLEASE REMEMBER TO SEND BACK YOUR TUITION CONTRACT! THANK YOU!

Just a Thought:

As we look to our upcoming Memorial Day weekend, let's take a moment away from thoughts of summer, picnics, and parties and instead remember the sacrifices of the many who made the ultimate sacrifice for our country:

"Our flag does not fly because the wind moves it...
It flies with the last breath of each soldier who died protecting it."
