New Family Fall Open Houses & Application Submission

Our annual Fall Open Houses for new families with children from Pre-K 4 through 8th Grade will be held on Sunday, November 10th from 10:00 am – 1:00 pm and again on Wednesday, November 13th from 6:00 pm – 7:00 pm.

Announcing a New Family Referral Program

We are excited to announce that beginning with the 2020 – 2021 school year, a current family that refers a new family with children in grades 1st through 8th has the opportunity to receive a \$500.00 tuition discount. The reduction in tuition will be reflected in the referring family's tuition bill at the end of the 2020-2021 payment plan, contingent on the new student remaining in school during that timeframe. The new family will be required to list the current referring family on the student application for admission. The discount is based on a new family enrolling at SJR, and is not dependent on the number of students that the new family enrolls.

Keep spreading our school "highlights" and invite neighbors & friends to visit! After the Fall Open House, families can call to schedule a private tour.

Hawk Talk with Mr. D November 6th – 13th

As of July 1, 2019, the 17 high schools in the Archdiocese of Philadelphia changed the school application process to SchoolAdmin. The following are some frequently asked questions that should help you through the process of applying to one of these schools. Should you have any questions, please contact the Admissions Director at the desired high school.

How do I get the application?

You can access the application by visiting the school's website (see below) your child wishes to apply. Once on the site you can access the application by visiting the admissions tab. Create an account if you have not done so already. The application should take no more than 30 minutes. If you are unable to complete the application, you are able to save it and return to it later.

What if I do not have a computer?

If you do not have access to a computer, you can complete this application on any smart phone or tablet. Should you need assistance please reach out to the Admissions Director at the desired school to schedule a time when you can use a school computer.

What if I want to apply for multiple schools?

We welcome families to apply to as many schools as they wish, but in order to do so you will need to create an account in SchoolAdmin for each school using the link from the individual school's website. You can use the same email address and password for all of the accounts.

I completed my application, now what?

Once an application is completed, you will gain access to your checklist. The checklist requires you to upload basic documents: most recent report card, standardized test scores, etc. You can use your smart phone to take pictures of these forms and upload or use a scanner and computer. You can monitor your checklist at any time.

How do I request records?

We will take a copy of the most recent report card and standardized test scores if you have access to them, if not please ask your child's principal. We recommend making copies so that you will only need to make a request from your elementary school once.

My checklist says completed, now what?

Once you have completed your required checklist items, the school will review records in order to make an admission decision. You can periodically check your account for updates.

How do I apply for financial aid?

SchoolAdmin is only for admission applications. You will need to complete a separate application, through FACTS, for financial aid. Please visit your selected high school's website to access the FACTS application. When prompted on the application, select all of the schools to which your child is applying as well as any other children attending an AOP elementary/high school. You do not need to complete a separate FACTS application for each school or family member.

ADVENT Evening of Reflection for Women

The Season of Advent invites us to prepare a space for God in our hearts and in our homes. But how can we do this well, when the looming holiday season demands that we prepare a space in our house for guests, gifts, and gourmet meals? On Tuesday, December 10, from 6:30 – 8:30 p.m., we invite all the women of the parish to an Advent Evening of Reflection, sharing food and faith with one another as we listen to the wisdom of one of the Bible's most over-worked, underappreciated ladies: St. Martha.

Our guest speaker will be Christine Eberle, author of *Finding God in Ordinary Time*. Christine's inspirational address will include a dramatic monologue of the "Martha/Mary Incident" from Luke 10:38-42, as well as passages from her recently released book. (She will also be available to sell and sign copies afterwards; they make great Christmas gifts!) You can learn more about Christine and follow her blog at www.christine-marie-eberle.com.
