St. Joseph/St. Robert – 5K Run/Walk – Please Help Gain One Sponsor & Add to Our Success – Executive & Corporate Support Sponsors Extended to April 15th

The success of our 6th annual 5K is sponsorship and runner/walker registration. This year the proceeds will benefit our technology initiative with the purchase of an on-line digital math program for all students. The funds raised come from the generous support of local business sponsors, parishioners, and our school families.

We are kindly asking each school family to assist with reaching out to at least one local business that you may know and/or support on a regular basis. Businesses could include your hair stylist, dentist, doctor, pharmacy, insurance agent, financial advisor, bank, indoor/outdoor home services, restaurants, and retail stores you frequently visit.

Sponsorship forms are available on our website. Corporate Friend & Friend Sponsors are due April 30th. We are asking each family to consider being a “Friend” of the 5K R.A.C.E. This level of \$50.00 sponsorship will entitle a family member one free registration for the R.A.C.E./Walk.

Thank you for your active involvement in making our 6th annual event another great success. For questions or assistance with possible sponsors, please contact Mary Landry at 215.343.4704.

**5th Annual 5K RACE Registration – Friday, May 20th

Alumni Facebook Page

I am excited to announce that SJR now has a specific Alumni Facebook Page. Please visit and like us at: St. Joseph/St. Robert School Alumni. Please pass the word to former classmates and alumni you may know.

I am currently in the process of updating our alumni data base. Can you kindly email me at Kwilliamson@stjstr.org and let me know that you are an alumni from SJR. I would be interested in your year of graduation, email, home address, and telephone number. I would be so pleased if you can include what you have been involved in since SJR Graduation. We will soon be publishing an alumni newsletter and want to be able to share with as many graduates as possible. Please forward to all alumni as to the request for updated contact information.

**6th Annual 5K R.A.C.E – A Special Alumni & Faculty Event – Save the Date – Friday,
May 20th Beginning at 6:30 PM**

A very special feature of our yearly 5K R.A.C.E. is inviting our alumni and past faculty to join in this spirited event. All are invited to run/walk and/or attend to cheer the runners and socialize with classmates/faculty. We will have an alumni tent for our alumni to enjoy refreshments, and learn more about what is happening at SJR. If you are a graduate of SJR and register to run, you will be placed into the alumni only award category.

I am looking to contact as many alumni and faculty as possible. If you are an alumnus, former faculty from SJR or have children that have graduated from SJR, please spread the word. It will be a fun and festive evening. Thank you again for all your support. If you have questions, please email me at Kwilliamson@stjstr.org or call 215.343.5100.

JUST A THOUGHT: Did you see the final NCAA basketball game? It's being called the "Thrilla-Nova"! What an amazing display of sportsmanship, leadership, cooperation, and dignity! I hope that takeaway from the game will be that we recall not only the score, but HOW the team achieved what they did. The players put ego aside to work together – what a great model for us all!

***SJR SCHOOL:

FOCUSED ON THE FUTURE,

HSA Executive Board Nominations

Executive Board elections will take place at our next HSA meeting on April 21. Please see form below regarding nominations.

ST. JOSEPH / ST. ROBERT
HOME & SCHOOL ASSOCIATION
NOMINATION FORM

Do you know someone who would be a great addition to our HSA Executive Board? **Nominate him/ her!** Are you interested in getting more involved at SJR? **Nominate yourself!**

There are three positions that need to be filled on our HSA Executive Board for the 2016-17 school year. We are seeking a new Vice President, Corresponding Secretary and Recording Secretary. These positions are currently held by Christa Speranza, Kristin Golebiewski and Kim George. If you have questions regarding the duties of any of these positions, please contact Christa, Kristin or Kim. They will be happy to explain their roles on the board. Some positions require a greater commitment than others, and many of the duties can be fulfilled at home. Being a board member does not require you to be at school everyday. It does allow you to be more involved with your children, and other SJR families.

Please consider completing a nomination form. Our HSA provides many wonderful services for the students and faculty. Serving on the board is both rewarding and fun. Elections will take place at our last HSA meeting on April 21. Thank you in advance for your help.

I would like to nominate _____ as
a candidate for the HSA Executive Board.

_____ I would like to specify the office for this nominee:

Vice President

Corresponding Secretary

Recording Secretary

_____ I would like the nominee to select the position for which he /
she would like to run.

* Please return to Christa Speranza c/o Gianna grade 5 by Thursday, April 14, 2016

SJR Home and School Annual Walkathon

April 22, 2016

(Rain date April 29, 2015)

It is time to get ready for our Annual Walkathon, a major fundraiser for our Home and School Association and a fun tradition for our students. As most of you know, the Home and School Association is a wonderful partnership of administration, faculty and school families that helps provide enrichment to the SJR experience. All of the proceeds from the Walkathon are deposited directly into the HSA account and are used to fund activities and programs for your children.

Children in grades Pre-k-8 will assemble at 1:00 p.m. in the schoolyard and then walk through the Palomino Farms neighborhood. Family members are welcome to meet the children in the schoolyard and walk with the SJR students. In order to participate in the walk, each student **MUST** return the permission slip no later than April 18, 2016. Any student who does not have written permission to participate in the Walkathon will not be able to leave the school grounds.

In addition to a fun day for our school community, we have some incentives to encourage you to participate in our fundraising efforts:

\$25.00/family in pledges – Dress Down Day (May 9th)

Each \$75.00/family in pledges – one SJR tailgate chair

(Dress Down Day also included at this level)

** Of course, any and all pledges are welcome **

Use the attached form to record your pledges. Pledge money can be returned to Kate Gozdan c/o Patrick – grade 4. All money is due by Thursday, May 5th and checks can be made payable to SJR HSA.

If you have questions, please contact Kate Gozdan at 484-368-9638 or kategozdan@gmail.com.

We hope that everyone is able to support this year's Walkathon in some way. We are looking forward to a safe, sunny and very successful

SCIENCE CLUBS

Anniversary Special: Mix It Up!

We've picked our top 3 favorite hands-on science activities for this special 3-session club! This is a great program to try if you've never participated in Science Explorers before, or if you want to experience some favorites, this is for you! We'll take some chemistry, throw in a little creativity, and mix in tons of fun! Create our ever popular foaming "Matter Monster", build your own motorized invention, and make groovy lava lamp test tubes!

Abracadabra!

Hocus Pocus, you're the focus, as you amaze and astound your friends with some awesome science magic! Master the art of illusion and discover the scientific secrets behind these tricks. Use your newfound skills to make an egg sink or float on command, create invisible ink, make water disappear, and shock your family and friends when you walk through a piece of regular copy paper!

Burps, Belches & Bad Breath

Did you know that mucus is part of your daily diet? Or what part of your body are you producing a cement-like substance? Are there little creatures living on you? What happens to our cells when we sweat? Find out the wacky science going on inside all of us! We'll make our own mucus, create body spray to keep us smelling good, make an explosion of gas bubbles, mix up noisy putty, and use chemistry to show how to neutralize stomach acids. We like to call it a "cool kind of gross"!

Freaky Physics

What do you get when you take matter and mix in some energy? Freaky Physics! We'll mix up a gas that is heavier than air, change states of matter to make slippery slime, and build a circuit to create an awesome motorized "drawing-bot". Plus see how physics and building are related as our engineering teams compete to see who can build the tallest towers. Test your science skills as we freak out with physics!

Secrets of Ancient Egypt

Become an Egyptologist as we explore the fascinating world of ancient Egypt. We'll discover how Egyptians used science every day as we construct pyramids, learn how to tell time using the sun, mummify apples, build a model shaduf that was used for irrigation, create your own mummy, and decode Egyptian writings!

Is There a Doctor in the House?

If you have ever wondered what is running through your veins and what happens to your lunch after you eat it, then join Science Explorers for five fun filled "office visits" that are guaranteed to kick your senses into high gear and stimulate your mind. We'll create edible blood, make a model of the digestive system, build a working lung model, and investigate a real sheep brain! Make no bones about it, the doctor is in!

6:15-7:15

- **Registered students** are escorted by groups to their classrooms to take part in exciting, fun activities. The activities are designed for our teachers to get to know your children and for your children to get to know their teachers.
- **Families** will use this time to complete all necessary forms and to meet with the program directors and staff to learn more about our program, curriculum and this summer's theme. We will gather health and educational information from you as well.
 - If your child has a current IEP and you are interested in sharing this document with your child's teachers, we ask that you bring a copy of the IEP with you to this event. While this does not mean that we are providing extended school year services for your child, unless arranged through your child's home district, it will enable the staff and teachers to plan for your child more effectively.
 - Our certified school nurse will be available to speak with any family if your child has any medical needs.

7:15 – 7:30

- Families may visit the classrooms.

7:30-8:00

- Light refreshments are served in the common room. Families will have an opportunity to talk with their student's teachers and staff.

La Salle University's Summer 2016 Program Theme: Passing the Torch: Sports Around the World

La Salle University is hosting an exciting summer program for students that will explore several disciplines, including mathematics and science (Prek-5) and integrated content areas (6-8). Students engage in active, hands-on learning connected to real-life roles (scientist, geographer, world traveler, etc.). The major goal our program is to have all students learn by building upon previous experiences at home and school under the guidance of our teachers and staff.

Our Enrichment Program

La Salle offers the opportunity for any student between the ages of 4 and 14, as of June 1, 2016 to enroll in our Prek - Grade 9 summer Enrichment program, regardless of ability level. In our fully inclusive classrooms, teachers are prepared to differentiate instruction to maximize each child's learning and success. All programs motivate students to want to learn through hands-on, indoor and outdoor activities using evidence-based practices. Students take on roles as scientists, explorers, curators and the like to investigate the theme of the program based on appropriate district curriculum standards and content area specialties of the upper grades teachers. Eligible age groups for this program include students ages 4 to 14 (children who under four years of age, or older than fourteen as of June 1, 2016 may not enroll in this program). There was a wait list last summer so do not delay! Enrollment is limited to 120 students.

IMPORTANT INFORMATION

Location: The LaSalle summer program will be held at the Hatboro/Horsham High School – H-Wing. The school address is 899 Horsham Road Horsham, PA 19044. In order to access the H-Wing, families should drive around to the back of the school to the H-Wing entrance.

Dates/Times:

The program runs from **Tuesday, July 5th to Friday, July 22nd**. The program starts at 9:15 am and ends at 1:15 pm. Students may not be dropped off earlier than 9:10 am. Drop off is in the rear of the high school at the H-Wing entrance. **The registration deadline is Wednesday, May 15th. Note: WE WILL BE OFFERING AN AFTERCARE PROGRAM THIS YEAR!**

Program Cost:

\$250 for the first child, \$200 for the second child, and \$150 each for any other child residing in the same home, from the same family after the first two children in the family for the entire three-week session. Due to the fact that this is a LOW tuition rate, the fee remains the same even if students may miss part of the summer program.

Aftercare Program:

The after-care program runs from 1:15 pm - 3:00 pm each day (EXCEPT 7/5 and 7/22). The fee for the aftercare program is \$150.00 per child, covering the three weeks except for the first and last days. This program is limited to the first 80 children who sign up, so don't delay! Please note that there are no discounts or refunds for students who cannot attend after-care each available day it is offered due to the exceptionally low rate for this program.
