APPLE OF MY EYE: Congratulations to the "Apple of My Eye" winners for the last week of 2016! These children are celebrated for being "caught doing something good": Jordan Butler, Kelce Sanford, Gabriella Sheldon, Juliana Tulio and Jake Wade.

THANK YOU! : Thank you to our families for their generosity in responding to our Mission Collection! We were able to send \$1225 to the Early Childhood Association to support their work with the poor. Your generosity, as always, was overwhelming!

HOME AND SCHOOL NEWS:

- **Home and School meeting, January 19th: Mark your calendars now for this informative session!**

Parenting Your Child to Reach for the STARS

Every parent wants to raise a successful child. To effectively meet the inevitable challenges that life brings, children must develop resiliency at home, school, and with peers. In this workshop, Dr. Mary Coakley, Child and Family Psychologist, discusses how parents can promote resilience in their children and guide them towards personal and academic success. Using the acronym STARS, Dr. Coakley shares five facets of resilience: **self-control**; **talents and gifts**; **healthy attachments**; **rejection of negativity**; and **spirituality**. Parents will leave this presentation with new tools and ideas that can be implemented immediately.

WEATHER RELATED INFORMATION: As we make our way through the winter months, I want our families to be aware of the following: Should the weather cause a school closing or delayed opening, we will follow the decision made for the Central Bucks School District. I will send an email blast once I hear from the district. If your child/ren are transported by any other district, keep an eye out for their decision. If Central Bucks is on a delay and others are not, you must provide transportation to the school. Our AM

CARES program will have a delayed opening should the school be delayed in opening.
