JUST A THOUGHT: As we start the season of Lent today, I am hoping to try something new in my preparation for Easter. This Lent, I will spend time each day saying a prayer for someone and then writing a short note to them. It is called:

“40 Notes in 40 Days – Cultivating Relationships during Lent”

For each of the forty days, I will be reaching out to people in my life – near and far – in an effort to stay connected or reconnect. By praying for them and writing to them, I hope to grow closer to Our Lord and others in my life. How about you?

SJR Robotics Class for Grades 6-8

Purpose: To promote student interest in science, math, engineering and technology. The objective of this program is to expose students to various hands-on, team oriented, engineering design robotics play tasks.

Date: Mondays for 4 weeks from 3:15 – 5:00 pm. March 13 through April 3. Students need to commit to these dates since participation is limited.

Instructor from Lockheed Martin: Ron Huegel parent of SJR graduates Brandon & Dylan

Course Description:

Students will work in teams to design, construct, and program mobile robots. Building robots is a highly interdisciplinary activity that involves creative problem solving, teamwork, leadership, and project management. The Lego® Mindstorms™ robot kit and The Mayan Adventure book by James Floyd Kelly will be the primary tools used in this enrichment class. The book uses a fictional storyline to set up challenges for building and programming robots.

Please send email to Ron Huegel (mjhuegel@msn.com) by March 8th with Student name, Student grade and parent email if interested.

Keep the two steps forward. **Lose the one step back.**

Summer learning loss puts students at a serious disadvantage.

This is when skills and knowledge are lost over the summer months, causing students to move backwards instead of progressing.

By spending just **minutes a day** with *Summer Solutions*, students get the practice they need to keep moving forward. It was designed to help students return to school after summer break confident in the skills they've already learned and ready to master new ones.

**Your child worked hard all year. Make sure that progress sticks.
Give your child the advantage of *Summer Solutions*.**

St. Joseph/St. Robert CYO Track & Field Team

Boys and Girls Grades 1 - 8 Join your friends for fun and fitness

The goal of our program is to offer a fun healthy activity that allows team members to build self-esteem and confidence. Everyone competes! No one sits on the bench and waits to be asked to participate. We encourage all our athletes to achieve satisfaction in their performances and to recognize the efforts of their teammates and competitors. Most importantly, we will promote teamwork. Building camaraderie and teamwork is essential to the individual success as well as the success of the team. Athletes can compete in sprints, distance and field events.

There will be a Coach/Parents meeting on Sunday March 5 at St. Roberts Parish in Msgr. Marley Hall (Gym) from 1:00PM to 2:00PM for anyone who has registered already or for anyone interested in finding out more about the program. First practice is Saturday March 11 from 3:00 PM - 5 PM at CB South High School track.

To register go to www.wagdogs.com

For more information contact Ed Clark, Coach at 267-532-6891 (cell) or email at eclarkpa@comcast.net

SJR'S GOT TALENT

Do you have a talent you would like to share with the SJR community? Perhaps you sing, dance, play an instrument, tell jokes or do karate. Whatever your talent is don't be shy! Let us help you put a spot light on it!

Individuals or groups may sign up to perform a 3 minute or less act. Sign ups will take place in homeroom until Feb. 24
Parents may also email speranzahome@gmail.com

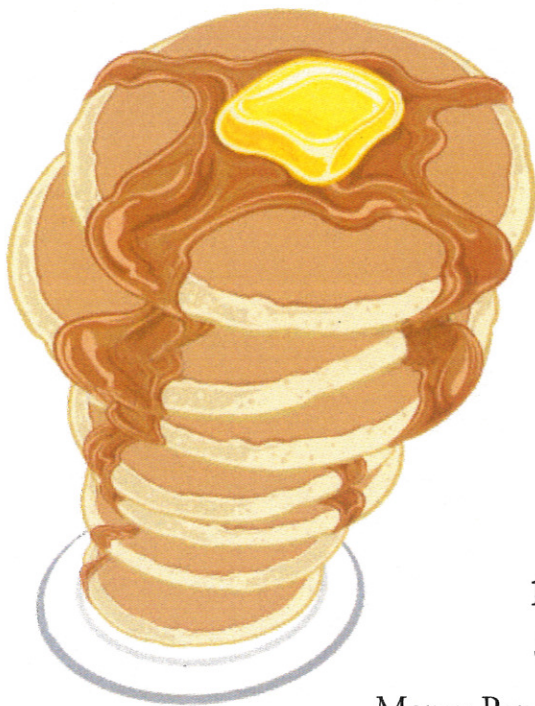

Acts will be reviewed during the lunch periods to make sure they are appropriate and within the 3 minute time limit.
