Mission Statement

St. Joseph/St. Robert School Community, with Jesus as our foundation, inspires us to live fully His message of love, courage, and compassion. Our academic rigor and relevance empower us to be contributing members of the Church and the global community.

Memorandum of Understanding

Every Catholic school student has a right to be treated as a child of God, with the love and respect that implies, regardless of family circumstances. In like manner, the believing community has the right to an education guided by Catholic teaching and identity, unimpeded by pressures contrary to Church teaching. As parent/guardian of a student in a Catholic school, I understand, affirm, and support the following:

1. The primary purpose of a Catholic school education is two-fold: to strengthen the Catholic community in its faith, and to form students in the teachings of Jesus Christ and the Catholic Church
2. Catholic schools are distinctive religious education institutions guided by the teachings of the Catholic Church. They are not simply private schools offering a positive moral code. Rather, they exist to advance the faith mission of the sponsoring Catholic parish(es), Archdiocese, or Catholic religious community.
3. While Catholic education places a high value on academic excellence and extracurricular achievement, its fundamental priority is fidelity to Catholic teaching and identity.
4. Attending a Catholic school is a privilege, not a right. The school and its administration have the responsibility to ensure that Catholic teaching and moral integrity permeate every facet of the school's life and activity and that the school is able to function as a community of faith.
5. In all questions that involve Catholic teaching, morals, and Church law, the final determination rests with the Archbishop. As a parent/guardian desiring to enroll my child in a Catholic school, I accept this memorandum of understanding. I pledge support for the Catholic identity and mission of this school and by enrolling my child I commit myself to uphold all principles and policies that govern the Catholic School.

Introduction:

“Proud of our Past”

St. Joseph/St. Robert School is located in Warrington, Pennsylvania. Our school was founded on the grounds of St. Joseph Parish in Warrington in 1925 and staffed by the Sisters, Servants of the Immaculate Heart of Mary. Originally called St. Joseph School, an additional building was added to the school campus on Valley Road in 1961. St. Robert Bellarmine Parish was formed from St. Joseph Parish on May 31, 1968. As St. Robert Bellarmine Parish grew, St. Joseph School became consolidated as St. Joseph/ St. Robert School. In September 1999, the Parish Religious Education Building was added to the St. Robert Bellarmine Parish complex and housed the students in grades 5-8 in what was known as the Annex Building. The children in kindergarten through grade 4 remained at the Valley Road site. In September 2008, the school was completely incorporated on the St. Robert Bellarmine Parish Campus.

This Roman Catholic elementary school exists primarily to educate children in the practice of their faith and to provide an outstanding academic education.

Policies Related to Admissions and Attendance

NON-DISCRIMINATORY POLICY

- St. Joseph/ St. Robert School does not discriminate on the basis of color, race, national or ethnic origin in the admission of its students and staff, education policies or in any administered program.

ADMISSION POLICY

- Parents with children in Pre- Kindergarten through Grade 8 who desire an educational experience for their children founded on a Catholic philosophy of education and who fulfill age, health and academic requirements are eligible for admission to our school.

AGE REQUIREMENTS

- Children entering our Pre- Kindergarten program must be 4 years of age on or before September 1st of the current school year.
- Children entering our Kindergarten program must be 5 years of age on or before September 1st of the current school year.
- Children entering our first grade must be 6 years of age on or before September 1st of the current school year.

MEDICAL DOCUMENTATION REQUIREMENTS

- Immunization records and general health examination reports must be presented to the school before admission. Bucks County health and immunization requirements must be fulfilled.
- Children entering St. Joseph/ St. Robert School for the first time must have a Hepatitis B Vaccination.

ACADEMIC REQUIREMENTS

- Acceptance of children in Grades 2 through 8 is contingent upon receiving complete and accurate information from the sending school.

SEQUENCE FOR ADMISSION TO SJR

- Families with children already attending St. Joseph/ St. Robert School
- Catholic children residing in a supporting parish
- Catholic children from other parishes
- Children from other denomination

REQUIREMENTS FOR SCHOOL ENTRANCE

Catholic students entering Pre-K through Grade 1:

- Parish membership verification
- Baptismal certificate if the child was not baptized in either St. Joseph or St. Robert Bellarmine Church
- Immunization record
- Birth Certificate

Catholic students entering Grades 2 through 8:

- Parish membership verification
- Baptismal certificate if the child was not baptized in either St. Joseph or St. Robert Bellarmine Church
- Immunization record
- Birth Certificate
- Transfer from previous school with academic records

Non-Catholic students may be admitted to our school under the following conditions:

- Adequate facilities and space are available
- The parents/guardians of the students agree in writing to permit their child(ren) to attend religion classes and religious functions which are offered as part of the school program.
- The parents/guardians agree in writing to accept and to promote the philosophy, mission statement, goals, objectives and regulations of St. Joseph/ St. Robert School.

REGISTRATION

- Registration for Pre-Kindergarten, Kindergarten and other new students opens in February. Information regarding registration is communicated through the parish bulletins, school website and family e-communication. There is a \$150 non-refundable fee per child due at the time of registration.

RE-REGISTRATION

Current families enrolled in our school do not have to re-register annually. It is assumed that when a family joins our school community, they support our mission and desire a Catholic education for their children for the entirety of their grade school years. This policy of “continuous enrollment” is only altered if a family completes the *Opt Out* form found on the school website to inform the administration that they are leaving the school. In February, current families are billed a \$75 per child registration fee in FACTS Tuition Management for the following school year, unless they submit the Opt Out form.

New families must pay a \$150 registration fee per child and submit a check along with all other Admissions paperwork described herein.

TUITION

The pastors, with the advisement of the School Business Manager, and the Parish Finance Council, determine appropriate tuition rates each year based on expected school expenditures and appropriate levels of parish subsidies. By the beginning of February, the tuition rates for the following school year are communicated to the school families through the weekly update and postings on the school website.

In order for a student to enter school in September, all prior year financial obligations must be paid in full. Any family who is not up to date with tuition payments upon leaving for Christmas break, must make payments in full prior to their students returning to school in January. The pastors reserve the right to withhold report cards and transcripts, as well as participation in field trips, graduation or other closing ceremonies if tuition is not paid in the agreed upon manner.

Tuition payments by families cover only a portion of the cost to educate a child at St. Joseph/St. Robert School. Both St Joseph and St. Robert parishes provide significant funds to operate the school. Regular Sunday contributions by the parishioners assist in paying expenditures related to the school. Accordingly, school families that enroll their children in Grades 1-8 and are registered parishioners of St. Joseph or St. Robert are asked to contribute to the parish a minimum of \$520 annually. If they are not in good standing in regards to the church contribution by March 1st, an adjustment to their tuition rate may be included in their April tuition bill. Further, non-Catholic families are charged the actual cost to educate a student of \$6,100. Families from other Catholic parishes who receive written approval from their pastors and an agreement that their respective parishes will provide a subsidy to our school, will be charged the “in-parish” tuition rate.

When a family provides written notification (email is acceptable) of a student withdrawal, a tuition refund will be processed by the School Business Manager. The refund will 1) relate to past payments remitted by the family for the current school year; 2) be calculated on the number of months that the student attended school; 3) include all fees and discounts, except the school registration fee, which is non-refundable; and 4) exclude one month’s worth of tuition. If a student is expelled, no tuition will be refunded.

ATTENDANCE and ABSENCES DUE TO ILLNESS

Regular school attendance impacts positively on a child’s academic development. The total amount of days that school is in session is prescribed by the Commonwealth of Pennsylvania.

Student absences must be called into school (215) 343-5100 before 9:00 AM or emailed to the school office (mjewald@stjstr.org) on the day of the child's absence. When the child returns to school, written notification of the reason for absence must be provided to the classroom teacher. ***Students who are sick should remain at home until they are fever -free and symptom free for twenty-four hours. Students who are absent for three consecutive days due to illness require a doctor's note to return to school.***

Students arriving after 8:40AM will be marked absent for the morning session.

Students leaving before 3:00PM will be marked absent for the afternoon session. Students not present for any reason, e.g. "Take Your Child to Work Day" are marked absent for the day.

Doctor and Dental appointments should be made outside of school time when possible. A child will not be released early without a note from a parent/guardian. Should an early dismissal need to take place, the parent/guardian must report to the school office in order to meet the child and sign them out. Children may not walk home or to an appointment during school hours.

SCHOOL HOURS

- Regular school hours are 8:10 AM until 3:00PM for students K-8. Students in grades 1-8 are supervised in the yard in the morning from 7:50 AM until the bell rings at 8:10AM. Kindergarten students proceed immediately into the building upon arrival at school.
- Full Day Pre-K arrival is between 8:10AM - 8:20 AM. Dismissal is at 2:55 PM
- Half Day Pre-K arrival is between 8:10AM - 8:20 AM. Dismissal is at 11:30AM
- Half Day Kindergarten 8:10AM until 11:45 AM
- Full Day Kindergarten 8:10 AM until 3:00PM

LATENESS

A student in Kindergarten through 8th grade arriving after 8:10AM will be marked late. The student must report to the school office in order to secure a late pass which will admit the child to their classroom.

Punctuality is the sign of a responsible person. It also supports the safety efforts designed to minimize the number of times doors are open to the outside. To underscore the importance of arriving on time each day, the following system will be used to address any ongoing lateness:

- If a child is late three times in a trimester, there will be a conference held with the teacher, parents, and child to discuss the situation.
- If a child is late five times in a trimester, the child will serve a one-hour detention after school.
- If a child is late more than five times in a trimester, the child may be subject to an in-school suspension unless a serious cause exists for the continued lateness. (For in-school suspensions, a substitute is hired for the day. The family of the child serving the suspension is responsible for the per-diem substitute fee.)

VACATIONS

Vacations during school time are not encouraged. However we realize that not all families may be able to take vacations during the summer months. Before taking a vacation during the school year, a written notification must be submitted to the child's classroom teacher. It is the responsibility of the parent to see that students make up homework and/or class work that is missed due to a vacation taken during school time. No assignments will be given to a student prior to a vacation. All assignments will be given to the student upon their return. A reasonable amount of time will be allotted for the completion of missed assignments. In the event that a child needs help with concepts that were covered during their absence, it is the responsibility of the parents and student to communicate this to the classroom teacher. To provide students with assignments does not replace actual classroom instruction that is missed while the student is absent.

TRANSFERS

Parents/ guardians should notify the school office in advance of their plans to transfer students. Name, address and telephone number of the new residence and school are needed to complete transfer records. It is also necessary for parents/ guardians to sign a release of records form and to state the reason for withdrawal. Student records will be mailed to the receiving school upon request. Parents/ guardians are expected to fulfill all financial obligations before school records can be forwarded to the receiving school.

RECORD DISSEMINATION

Unless a court or custody agreement otherwise specifies, each parent/ guardian is legally entitled access to all school records of their child(ren). Only the parent/ guardian having legal custody of a child has the right to make religious and educational decisions. To determine legal custody, St. Joseph/ St. Robert School requests from all separated and divorced parents of children enrolled in our school, a copy of the court order adjudicating the determination of custody. The court order is placed in the child's file.

PHOTO RELEASE POLICY

Parents/ guardians will be asked to sign a Photo Release Form giving the Archdiocese of Philadelphia and St. Joseph/ St. Robert School permission to reproduce, copyright, publish, circulate or otherwise use any school pictures of their children for use in press releases, school promotional materials, etc. This form can be located in the September Forms on the school website.

Policies Related to Arrival, Dismissal, and Transportation

CARES (CHILDREN ARE RECEIVING EXTENDED SERVICES)

All full-day students are eligible to participate in the before and/or after school CARES program provided on site at St. Joseph/ St. Robert School. Before school CARES begins at 7:00AM. After school CARES begins at dismissal and closes at 6PM. Our CARES program is staffed by

faculty and qualified staff who oversee our students in a child-centered environment. The CARES program will not operate on days when the school is not in session. CARES will be offered on half-days if sufficient families register for these days. Notice will be sent home in advance.

The CARES Program may close for inclement weather, depending upon local conditions. Please have emergency plans in place for such occasions. Information regarding fees and contacts may be found on the school website.

SCHOOL HOURS

Regular School Hours for Students 1-8: 8:10a.m - 3:00p.m.

Regular School Hours for Kindergarten Students: 8:10a.m - 3:00p.m. (Full Day)
8:10a.m.- 11:45 a.m. (Half Day)

Regular School Hours for Pre-K Students: 8:20a.m - 2:55p.m. (Full Day)
8:20a.m.- 11:30 a.m. (Half Day)

MORNING ARRIVAL/AFTERNOON DISMISSAL WALKERS, BIKE AND CAR RIDERS

- Students arriving prior to 7:50 AM will be sent to the Morning CARES program and billed accordingly.
- Upon arrival, all students in grades 1 – 8 should assemble in designated places in the yard.
- Students in Kindergarten will go directly into the school building.
- Pre-K Parents are asked to please park and walk your child up to the designated door where the classroom teacher and/or aide will be waiting between 8:10-8:20a.m.
 - **Car riders (arrival)** – When dropping students off in the morning, all cars should pull through the lane in the front of the school building. The principal, teachers and student valets will greet the children and assist in helping them out of the cars.

- **Bus Riders** – Children riding the bus must remain seated while the bus is in motion and obey the regulations of the bus drivers.
- **Bike Riders or Walkers** – Children should come to the front of the school building and use the designated crosswalk to the school. All children riding bikes must wear bike helmets.
- **Car riders (dismissal)** – Pre-K children are dismissed to their parents through their designated door (teachers will inform parents at the beginning of the year).
- **Car riders (K – 8)** will be dismissed once all of the buses have left the campus. Parents are asked to refrain from waiting outside of school under the portico but rather to leave this space clear for the children to exit the building.
- Students not picked up by 3:10pm will be sent to the CARES program and billed accordingly.
- A child will not be released to a non-custodial parent without the written consent of the custodial parent/guardian. To clarify legal custody St. Joseph/St. Robert School requests from all separated and divorced parents of children enrolled in our school, a copy of the court order adjudicating the determination of custody. The court order is placed in the child's file.

TRANSPORTATION

This publicly funded service is provided to students who live outside the 1.5 mile radius of St. Joseph/ St. Robert School. At dismissal time each day, faculty members escort students safely to their buses. All students utilizing the bus service are expected to display courteous behavior while traveling to and from school each day. St. Joseph/ St. Robert School administration and the various township transportation services reserve the right to suspend a student from riding the bus should inappropriate behavior become evident. Children may ride only the bus to which they are assigned, no others.

Evacuation drills are conducted by the transportation provider and practiced throughout the year.

Transportation for class trips and field days are chartered with a private company. The student assumes the expense for class trips.

CHANGES IN TRANSPORTATION

At the beginning of the school year, parents/ guardians are asked to specify how their children will be dismissed from school at the end of the day. Any change in dismissal procedures, even if for only one day, must be communicated to the classroom teacher in writing at the start of the school day. Children may not make transportation arrangements over the telephone. Please do not email teachers during the day to communicate transportation changes as there is no assurance that they will have time to read the email prior to dismissal. *Children will not be released to people who are not listed on their paperwork. Please be sure this is updated.*

EMERGENCY SCHOOL CLOSING PROCEDURES

If classes at St. Joseph/ St. Robert School are canceled or if the opening of school is delayed, the Option C School Reach automated phone system will be implemented to notify all parents/guardians. The school website will also carry the school closing, delay, or early dismissal information.

EMERGENCY EARLY DISMISSAL OF CHILDREN

Children designated by you to walk home or take the bus will be dismissed as usual, at the time set for dismissal or when the bus arrives. Children who are ordinarily car riders will remain in classrooms and supervised by our teachers until a designated adult comes for them. *No child will be released to any adult who does not appear on the list provided by parents.* CARES will remain open but families are asked to pick up students as soon as possible.

Policies Related to Academics

CURRICULUM

St. Joseph/ St. Robert School follows the prescribed Pre-Kindergarten through Eighth Grade curriculum promulgated by the Archdiocese of Philadelphia. Curriculum modification and adapted grading procedures are employed for students formally diagnosed with special learning needs.

RELIGION

The Religion guidelines of the Archdiocese of Philadelphia may be accessed on the website of the Office of Catholic Education under the Curriculum tab:
www.aopcatholicschools.org

ENGLISH/ LANGUAGE ARTS

The English/ Language Arts curriculum reflects the standards found in the Common Core State Standards which were adopted by the Archdiocese of Philadelphia. The English/Language Arts (ELA) curriculum may be found on the website of the Office of Catholic Education under the Curriculum tab: www.aopcatholicschools.org

MATHEMATICS

The mathematics curriculum reflects the Core Curriculum State Standards as adopted by the Archdiocese of Philadelphia. The Mathematics curriculum may be accessed through

the website of the Office of Catholic Education under the Curriculum tab:
www.aopcatholicschools.org

HONORS MATHEMATICS

The Elementary Honors Mathematics Program is designed to meet the needs of students who are capable of completing the regular mathematics curriculum in seven rather than 8 years.

Students eligible for participation in this program are identified at the end of Grade 4 and begin

formal instruction in Grade 5. Students who remain in the program are expected to complete an Algebra 1 course in Grade 8. The criteria, as defined by the Office of Catholic Education, for participation/continued participation in the Honors mathematics Program are as follows:

- Cognitive Skills Quotient falling in the range of 125 in the Terra Nova Test Standardized test scores in Mathematics of 90% or above
- Standardized test score in reading Comprehension of 85% or above
- End of year test grade of 85 or above
- Final grade of 93 or above

The teacher periodically evaluates the students to determine continued participation in this program.

SCIENCE

The Science curriculum is based on the standards set by the Lab Learner Science Program with the approval of the Archdiocese of Philadelphia. Information about the Learning Cells presented in this program can be accessed on the Lab Learner website: www.lablearner.com under the Parents tab.

SOCIAL STUDIES

The social studies curriculum is based on the National Council for the Social Studies (NCSS) Standards. The curriculum guidelines may be accessed on the Office of Catholic Education website under the Parents tab: www.aopcatholicchools.org

TECHNOLOGY

The technology curriculum is based on the National Educational Technology Standards (NETS) and is cumulative in nature. Because of our belief in the continual integration of the use of technology, we do not support a stand-alone computer lab. Instead technology classes are taught in the homerooms using Chromebooks, Surface tablets or I-pads.

Information about the Technology course of study may be found on the website of the Office of Catholic Education under the Parents tab: www.aopcatholicchools.org

WORLD LANGUAGE

The Office of Catholic Education has created an Elementary education curriculum that allows students to explore the world of academia while deepening their relationship with Christ. Information about the World Language course of study may be found on the website of the Office of Catholic Education under the Parents tab: www.aopcatholicchools.org

ART

The art curriculum of the Archdiocese of Philadelphia is based on the National Standards for Art Education introducing each grade to the elements and principles of art. Students explore their creativity by experiencing a wide range of artists and their styles, media and techniques. Information about the course of study may be found on the website of the Office of Catholic Education under the Parents tab:
www.aopcatholicchools.org

MUSIC

Students are taught that music has universal meaning. In grades PreK-2 children learn body motion, type and tone of sound, beat and rhythm, types of songs, group and solo singing, musical terms and symbols. Grades 3-5 learn a variety of rhythms, concepts of unison and harmony, musical notation and create instruments from everyday objects. Grades 6-8 translate music to stories, write short melodies and concentrate on styles, composers and different types of music. Specific information about the course of study may be found on the website of the Office of Catholic Education: www.aopcatholicchools.org

LIBRARY

St. Joseph/ St. Robert School Library offers students the opportunity to explore various fields of knowledge and provides a resource for pleasure reading. Through weekly instruction in library, reference and study skills, students learn how to gather and organize available data, enabling them to become independent researchers. Classroom teachers and our librarian work together to integrate acquired skills into all subject areas. Specific information about Library Skills that are taught may be found on the website of the Office of Catholic Education:
www.aopcatholicchools.org

PHYSICAL EDUCATION

Physical fitness and teamwork are emphasized throughout all grade levels. In grades Pre-K grade 2, children participate in activities involving movement, gross motor skills and rhythmic activities. In grades 3-5 these skills are reinforced and team sports are introduced through organized and non-competitive games. In grades 6-8 there is continued team building through sports and cooperative activities as well as fitness-for-life skills education. More information about the course of study may be found on the website of the Office of Catholic Education:
www.aopcatholicchools.org

SPECIAL PROGRAMS BUCKS COUNTY INTERMEDIATE UNIT ACT 89/ TITLE 1

READING/MATH SERVICES

This program provides remedial, corrective or developmental reading or math skill reinforcement. Students are considered for this program based on their performance on the Terra Nova Test, teacher recommendation and/ or parental request. Service is coordinated with the classroom teacher in order to maximize reading, thinking and learning potential. Service is provided once parents/ guardians sign written consent forms.

SPEECH AND LANGUAGE SERVICES

Act 89 through the Bucks County Intermediate Unit provides speech and language services. Children are selected for service when standards of sound projection, fluency, language use, form or content fall below normal standards for a child's age and ability. Staff, parents or guardians initiate referrals for evaluation. The Speech therapist screens all third grade students. Evaluation and service are provided once parents/ guardians sign written consent forms.

COUNSELING AND PSYCHOLOGICAL SERVICE

The Commonwealth of Pennsylvania provides counseling and psychological service through the Bucks County Intermediate Unit. The school counselor provides quality service to students by consulting with school administration, faculty and parents/ guardians regarding individual students. Individual and small group counseling is available to students in Kindergarten through grade 8.

After consultation, individual students are eligible for education and psychological testing. The school psychologist consults with the administration, faculty, Parent/ guardians in order to prepare for the testing of an individual student. Following the testing of a child, the psychologist meets with the child's parents/ guardian to review test results.

After parental permission is obtained, the school psychologist shares the test results and recommendations with the school administration and the child's teacher.

BOOKS AND MATERIALS

Books and materials must be carried to and from school in a school bag. Books must be covered. It is suggested that workbooks be covered with clear contact paper. Textbooks must be covered with removable paper covers or removable fabric book covers. Students are not permitted to draw, write, or deface textbooks in any manner. Lost or damaged books are the responsibility of the student and must be replaced at the student's expense. Students are not

permitted to bring correction fluid to school.

HOMEWORK

The purpose of homework is to provide reinforcement and practice in skills previously taught. It is also an opportunity for parents/guardians to know what material is being taught in class. Some children may need guidance with homework and parents should use their judgment, based on the age and ability of their child, to support them without completing the homework for them. Students are expected to work to the best of their ability. All class and homework assignments are to be carefully completed and submitted to the teacher on time.

If absent, students must make up homework and classwork. Parents may pick up homework books or designate someone to do so or check with their child's teacher about the established procedures for this. Upon their return, students are responsible for communicating with their teacher regarding missed assignments and any need for additional help. Tests and projects must be completed on the day the student returns to school unless other arrangements have been made by the teacher.

GRADING SYSTEM / REPORT CARDS

Grades are based on both formal and informal assessment of students. A test folder is maintained for each student. Test papers are sent home for parental review and signature. Families have ongoing access to grades through our online grading system for students in grades 1-8. Each parent/guardian is provided with an individual user name.

PROMOTION AND RETENTION

Student progress is monitored throughout the school year. At the time of parent conferences, parents/ guardians are made aware of their child's academic, social, and emotional progress. The teacher will contact parents/ guardians of children experiencing difficulty to discuss options available regarding support services and/ or retention. In the primary grades, promotion/ retention is a joint decision of the administration, teacher and parent/ guardian. Any eighth grade student who fails at least two of the basic subjects or who has a failing average will not receive a certificate of completion and will be required to attend summer school before being accepted into secondary school.

RECORD DISSEMINATION

Unless a court or custody agreement otherwise specifies, each parent/ guardian is legally entitled access to all school records of their child(ren). Only the parent/ guardian having legal

custody of a child has the right to make religious and educational decisions. To determine legal custody, St. Joseph/ St. Robert School requests from all separated and divorced parents of children enrolled in our school, a copy of the court order adjudicating the determination of custody. The court order is placed in the child's file.

GRADUATION

Eighth grade students who have successfully completed the prescribed course of study and maintained a suitable discipline record are eligible for graduation. All financial obligations must be paid in full prior to participation in graduation activities.

Policies Related to School Culture and Climate

STUDENT CODE OF CONDUCT

In accord with our school philosophy, our faculty strives to develop an understanding and respect for each individual person. Our code of student conduct is based on respect for others and personal responsibility and growth. All of our actions are based on Jesus' two great commands: Love of God and love of neighbor. The following code of conduct outlines the expectations for all Students attending St. Joseph/St. Robert School.

- Students are required to take care of all the things given them for their use.
- Students should appreciate that their environment must be kept neat and clean. Littering, chewing gum, and defacing property are unacceptable.
- Students are expected to demonstrate a Christian attitude toward one another. Fighting, abusive language, roughness, excessive teasing, or any similar conduct will not be tolerated.
- Students must obey all of the rules and regulations of the school and their individual classrooms. Failure to comply with the student code of conduct will result in disciplinary action.
- Formal suspension is a serious disciplinary action taken by school authorities against a student whose actions constitute a major disciplinary infraction and are contrary to the good order of the entire school community. Suspension is a major step toward student dismissal. Therefore, students should understand that serious consequences will follow from an infraction of great magnitude including, but not limited to, truancy, vandalism, smoking, possession of alcohol, drugs or drug paraphernalia, possession and/or use of a pocket knife or any instrument that could be construed as a weapon, theft, disrespect to teachers and/or staff, plagiarism, or any other seriously inappropriate behavior.

- Suspended students will serve their suspension in school. A substitute teacher will be hired for the day to oversee the student. The student's family will be responsible for the per diem rate for the substitute teacher. The suspension will be served at a time designated by the school.
- After two formal suspensions, a student is subject to dismissal. In certain cases, the infraction, because of extraordinary circumstances, may warrant immediate dismissal.
- In situations requiring formal suspension or dismissal, parents will be immediately notified and the policy as outlined in Archdiocesan Policies and Procedures will be followed.

STUDENT INFRACTION POLICY

The teachers of students in grades 6-8 use an infraction policy to communicate any disciplinary issues to the families of the students. Items contained in this policy do not differ from the Expectations used in the lower grades. A sample "Notice of Infraction" is included:

This original slip should be signed and returned to the issuing teacher the next morning after the infraction or additional demerit point(s) will be issued.*

When a student accrues five demerit points a detention is given. If a student accrues ten demerit points, they are to serve an in-school suspension with the substitute teacher's fee being paid by the student/family. If a student accrues fifteen demerit points, a meeting with the pastors and principal is needed to determine the suitability of educational placement.

ANTI-BULLYING POLICY

St. Joseph/St. Robert School recognizes the importance of having students feel safe, respected, and comfortable when at school, including conveyance to and from school property. It is the Policy of our school to maintain an environment in which bullying, in any form, is not tolerated.

Bullying is defined as intentional, repeated, hurtful acts, words, or other behavior, such as name-

calling, threatening, or shunning, committed by one or more children against another when there is an imbalance of real or perceived power or status. These negative acts are not intentionally provoked by the victim. For such acts to be defined as bullying, an imbalance in real or perceived power must exist between the bully and the victim. Bullying consists of verbal, emotional, written, cyber, graphic, or physical conduct which in some way interferes with an individual's ability to participate in or benefit from any part of the St. Joseph/St. Robert School program.

- Verbal Bullying includes but is not limited to consistent name calling, threatening, teasing and gossiping.
- Emotional Bullying includes but is not limited to consistent rejecting, terrorizing, rating/ranking of personal characteristics, manipulating friendships, isolating, ostracizing and peer pressure.

Any student who feels he or she is being bullied, harassed or discriminated against or who is aware of bullying, harassment or discrimination, should report it immediately to the principal, a teacher, staff member or the guidance counselor. Any student who is found to have engaged in behavior that is related to bullying, harassment, or discrimination will be subject to immediate disciplinary action. Actions may include but are not limited to detention, suspension or expulsion from school. In determining what disciplinary action to impose, consideration will include the severity of the offense, whether the perpetrator knew or should have known that the conduct was not permitted, whether one incident or recurrent conduct was involved and whether there have been prior warnings or prior disciplinary actions for similar conduct. If bullying is found to have occurred, prompt and appropriate disciplinary action will take place. Retaliation for reporting bullying, harassment or a discrimination incident will not be tolerated.

ACCEPTABLE USE OF TECHNOLOGY

Technology offers opportunities for students to obtain information, communicate with teachers, other students, and other outside schools or organizations. The purpose of this is to enrich the educational experience. The use of technology throughout the day comes with a set of responsibilities. In an effort to assure the safety of students and guard the liability of the school and the Archdiocese, the following acceptable use policy has been developed. St. Joseph/St. Robert School and/or The Archdiocese of Philadelphia reserve the right to amend this policy. All parents are asked to discuss this policy and its contents with their child(ren). Parents and students are required to sign The Acceptable Use Policy in order to access the technology provided for use by the school.

Purpose: Computers and other electronic devices are valuable tools for education and one of our school's purpose is to encourage the proper use of computer related technology. Students and all users of technology have a responsibility to use these tools properly and in accordance with the policy below.

Goals: To provide a variety of electronic tools to help students and teachers develop the ability

to evaluate and synthesize information from a variety of sources and enable them to work effectively with various computer/communications technology.

To foster the development of the critical thinking and problem solving skills needed in an increasingly electronic, global society.

Responsibilities of Users/General Guidelines for the Use of the Internet

With the right of access to technology comes the responsibility to use the resource both correctly and wisely. Access to the internet, for instance, may mean that some material found will not meet the guidelines set in our acceptable use policy. Monitoring and controlling all material is impossible. St. Joseph/St. Robert School will make every effort to limit the appearance of such material while still providing access for educational purposes. To that end:

- All users are required to take basic internet training from the technology teacher.
- Email accounts through the school's server may be restricted.
- Any attempt to circumvent system security, passwords, or in any way gain access to secured or blocked resources is forbidden.
- Use of the internet for commercial gains or profits is not allowed from school property.
- Users will not move, repair, reconfigure, modify, or attach external devices to the system.
- The system operator has the right to monitor all activities.
- Students may never post personal contact information about themselves or other people. This includes, but is not limited to, home address, telephone number, and school address.
- Students may not access pornography or any other material that is profane, obscene, violent, or advocates dangerous or illegal acts, or encourages the discrimination of any group.
- Students may not use profane, rude, or threatening language or language/images that harass others.
- Students may not post false information about another person or organization.
- Students may not post photos of themselves or others.
- Students may not attempt to disrupt computer systems or destroy data by spreading computer viruses or by any other means.
- The illegal downloading of copyrighted software for use on home or school computers is prohibited.
- Use of technology in school is limited to school equipment unless otherwise specified by the teacher. Students may not use personal technology devices in school without permission.
- Additional rules and restrictions may be added at any time.

Violations of these rules will be addressed by the faculty and administration and may result in any of the following:

- Loss of access to the internet
- Disciplinary or legal action by the school or other involved parties

- Improper use of a personal technology device will result in confiscation of the device by the principal who will hold the device until a parent is able to come to school to discuss the situation and retrieve the device.

SEXUAL HARASSMENT

St. Joseph/St. Robert School follows the policy set forth by the Archdiocese of Philadelphia in regards to sexual harassment. Sexual harassment refers to any unwelcome sexual advances, requests for sexual favors and/or other verbal, visible or physical conduct of a sexual nature. Sexual harassment is unacceptable behavior and will not be tolerated. Any student who is determined to have violated this policy will be subject to appropriate disciplinary action up to and including dismissal.

WEAPONS POLICY

No weapon shall be permitted on the property of St. Joseph/St. Roberts school.

The term "weapon" shall include, but not be limited to, and knife, cutting instrument, cutting tool, firearm, or any other tool or implement capable of inflicting serious bodily injury.

This prohibition applies to all persons who, for whatever reason, are on parish property at any time of the day - regardless of when school is or is not in session. The policy shall remain in effect twenty-four hours a day, seven days a week. The fact that a federal, state, or local license or permit may have been issued authorizing a person to own, possess, or operate a weapon does not constitute an exception to this policy or otherwise constitute permission to such a person to bring a weapon onto the grounds/property of St. Joseph/St. Robert School. This prohibition shall not include police or other law enforcement officers who enter St. Joseph/St. Robert School property in response to a call for assistance, an emergency, or as part of their official duties as police/law enforcement officers. The provisions of this section shall also not apply to a weapon being used as part of a program approved by the school/parish by an individual who is participating in the program.

Youth who are in violation of this policy and have been determined to have brought a weapon onto parish property to any school, CYO, or parish-sponsored activity, or conveyance providing transportation to any school, CYO, or parish related activity will be expelled for a period of not less than one year and will be reported to law enforcement agencies. The principal/parish administrator may recommend discipline short of expulsion on a case-by-case basis.

The principal/parish official in charge shall report the discovery of any weapon prohibited by this policy to local law enforcement officials.

UNAUTHORIZED SUBSTANCE POLICY

No unauthorized substances shall be permitted on St. Joseph/St. Robert School property.

The term “unauthorized substance” shall include, but not be limited to, any solid, powder liquid, gas, or illegal drug capable of inflicting bodily harm.

The possession, sale, furnishing, use, or any involvement of any nature with an unauthorized Substance may be criminal and, therefore, always requires administrative action. This may result in the immediate removal of the child from school, parish, or CYO sponsored events and the intervention of law enforcement authorities and/or action by the school principal, CYO official, and/or pastor. Disciplinary options include, but are not limited to:

- Those actions determined by the police
- Verbal reprimand
- Conference with parent/guardian
- Behavioral contract
- Involvement of counselor
- Withdrawal of school or organizational privileges
- Detention
- Telephone call to parents/guardians
- In-school suspension
- Out of school suspension
- Other such consequences at the discretion of the principal and pastor which have the goal of rehabilitation of the child while ensuring the safety of others.

Employees who violate these weapon and/or unauthorized substance policies will be subject to appropriate disciplinary measures, which could include dismissal or the involvement of law enforcement.

LOST AND FOUND

All clothing or other school supplies must be labeled with the student's name. Identified items will be

returned promptly to the student. Unidentified items will be kept in Lost and Found in the office until the end of the school year and then handed over to our Uniform Exchange or St. Vincent de Paul Society.

COMMUNICATION

Good communication between home and school is essential to support your child's learning and to maximize their ability to take advantage of all of the learning opportunities available to them at SJR. Every Wednesday there will be a newsletter from the principal sharing information about any school news and upcoming events. There will be reminders about upcoming events for the week emailed to the community on Sundays.

If there are any changes that occur in address, telephone numbers, email address, or emergency contact information for your family, please notify the school immediately.

Administration

All requests for appointments with the principal must be scheduled through the main office via note, phone call, or email. If that appointment is in regard to a problem your child is having at School, every effort should be made to resolve that problem with the appropriate teacher before seeking an appointment with administration.

Teachers

Parents/guardians may request individual conferences at any time during the school year. Scheduling should be initiated through a written request to the teacher via note or email. The teacher will respond within twenty-four to forty-eight hours to all emails and will work to set up a conference as soon as possible.

Sending Money into School

Though tuition and many other times that payment needs to happen are handled electronically,
there are still some occasions when you find you may need to send money to school. If that need arises, please be sure it is in an envelope labeled with your child's name and grade.

School Telephone

The telephone in school is used for official business. Students are permitted to use the phone only in the event of an emergency. Students will not be able to make phone calls if they have forgotten

Books, homework, musical instruments, gym supplies, school and/or extracurricular related Materials. Students must be encouraged to learn to check for supplies before leaving home in the morning, otherwise, they will learn from the logical consequences of their mistake.

Cell Phones/Personal Technology Devices

When a parent deems it necessary for a child to bring a cell phone to school, the phone must be turned off and kept in a student's backpack during the school day. Students may never keep a cell phone on their person during the school day for any reason. If this policy is violated the cell phone will be confiscated by school personnel and the student will serve an after school detention. In addition, the cell phone will be returned only to the parent/ guardian by the principal.

Smartwatches and Fitness Trackers are prohibited from being worn at school. If a student should have one of these devices on, they will be reminded of the expectation and asked to remove the device and place it in their school bag for the remainder of the day and not bring it back to school on subsequent days.

Policies Related to Health and Safety

HEALTH SERVICES

The Central Bucks School District provides our school with nursing service one day per week. The school nurse checks the heights and weights of the students in grades Kindergarten – grade 8. Scoliosis screening is provided for students in Grade 6. Vision and hearing screenings are provided according to state mandates. The Central Bucks School District medical professionals may provide physical and dental examinations if necessary. St. Joseph/St. Robert School also employs a part time nurse for the other four days of the week to assist students and school staff as needed.

Because there is not a full-time nurse assigned to the school each day we discourage the distribution of medication during the school day. However, if your child's doctor decides that it is necessary for them to receive prescription medication during school hours, their approval and specific directions must be provided to the school. For long-term medication, a special form is available and must be requested from the school office. Children are not permitted to have any kind of medication with them in the classroom. Medication should be given to the school nurse. If they are not available, it can be given to the school secretary or the principal who will dispense it at the prescribed time. If it is necessary for a child to take over-the-counter medication, written permission to administer it is required. Over the counter medication must be sent to school in the original container where it will be kept in the nurse's office. Each student requiring daily medication must have documentation of permission on file in the school office. Appropriate forms may be obtained from the school office or found on the school website, www.stjstr.org.

LUNCH

Students in Pre-K who are full-day students will eat lunch in their classrooms each day with supervision provided by the teacher or assistant with a volunteer.

Students in Kindergarten through eighth grade recite Grace Before Meals in their classroom before proceeding to the dining hall where they will eat lunch. Grace After Meals is recited together

before exiting to the recess yard or playground. (The use of the playground area at recess is rotated daily among kindergarten through third grade students.) These students will be supervised daily by the lunch volunteers and the principal who, if out of the building for a meeting, will have a faculty member replace them.

If your child has a food allergy that requires special consideration for their safety, please contact school nurse to discuss their needs. You can reach them by calling the school office at 215-343-5100.

Lunchtime regulations:

- Students are to remain seated during lunch.
- Conversation must be kept to a moderate tone.
- Students are responsible for cleaning up their own eating areas.
- Students may never leave the lunchroom without permission.

Yard regulations:

- Fighting is forbidden.
- Excessive pushing or shoving is unacceptable.
- Assigned play areas are to be used at all times.
- No student may leave the yard without the permission of the teacher or lunch monitor.
- When the bell rings, students are to stop playing and line up in silence.

VISITOR POLICY

In an effort to increase school safety, the office will keep a list of expected visitors for the day. If a parent or guardian has business in the front office, they will be buzzed in for that purpose. If you are not on the list of expected visitors, simply give your information to the staff person upon your arrival. All visitors must enter through the front doors and proceed to the office where they will sign in and be issued a visitor's badge. Visitors must sign out in the front office and exit the building without holding the door open for other visitors.

Parents/Guardians who are dropping things off for their child will not be buzzed into the building.

There will be a place in the entry where it will be requested that you leave the item. Be sure that

it has your child's name and grade on it.

ANNUAL ASBESTOS NOTIFICATION

St. Joseph/St. Robert School has developed and maintains an Asbestos Inspection and Management Plan as required by the Asbestos Emergency Response Act of 1986 (AHERA).

A copy of the plan is available for your inspection at our business office during regular school

Hours. Pennoni Associates Inc. is the asbestos program coordinator. Inquiries regarding the

plan can be directed to them or the parish business office.
