Wednesday, March 15th

In the School Cafeteria

The Business Manager, Principal, and Director of Advancement will update the community on the finances, programs, and enrollment of the school.

Dear SJR Families,
Congratulations to our 7th graders who received the Sacrament of Confirmation last night. It was a beautiful service. Your children remain in our prayers.

I wanted to announce that there will be a change to the summer uniforms for grades 1-8. Families/students will have the choice of either entirely white sneakers or entirely black sneakers. This comes at the request of some families who noted how dirty the white sneakers get. As there is a choice of shoe with the winter uniform, we added a summer choice as well.

A reminder that report cards will be distributed to the students in grades K-8 this Friday. It's a wonderful time to see how much your child has grown at school. If you have any questions or concerns about your child's progress, please contact your child's teacher to schedule a time to discuss it.

Our visit from the Barnhill Wildlife Preserve was a huge hit this morning. Unfortunately, the owl was sick so did not make the trip, so your child may have selected a different animal to get their picture taken with. Thank you for your response with the paperwork and permission slips! It was a great experience. Thanks for all you do! -Mrs. Durkin

March 23rd is the Universal Visiting Day for 7th graders to visit a local archdiocesan high school. If you have a 7th grader, please contact the school of your choice and plan to attend.

The Yearbook Club and its moderator, Mrs. Rosenello, have already been hard at work on the yearbook. It's time for those of you who would like to purchase a yearbook to order at the link sent in the Option C. The sale ends March 31st and books will be distributed at the end of the year. The link was shared in the Option C email notifying you about the newsletter being posted today. Thank you!

HSA BOARD NOMINATIONS 2023-2024

We are looking for nominations for a Treasurer and Vice President for the 2023/24 school year!

Vice President:

- The Vice President, in the absence of the President, shall perform all the duties of the President. The Vice President will also be responsible for setting up and maintaining school assemblies in consultation with the Principal. In addition, the Vice President will serve as spokesperson for the committee heads unable to attend meetings.***

Treasurer:

- The Treasurer shall receive all monies and shall make disbursements as directed by the Executive Board and countersigned by either Pastor. The Treasurer shall also prepare a written report relating to receipts and disbursements for the preceding school year for the first general membership meeting. This report should be distributed at the first general meeting. The Treasurer shall also prepare a final report to the Executive Board at the end of the current school year. This report would be used as a guide for the proposed budget for the following school year to be available at each Executive Board Meeting and then be presented to the general membership at each Home and School Association general meeting.***

If you or anyone you know may be interested in either of these two opportunities please send an email to Nikki DeGuida at NMartella1@comcast.net.

We will gather the nominees and ask each individual to write a little paragraph introducing yourself and which opportunity you are interested in.

We will be voting sometime in April and the winners will be introduced at the next HSA meeting!
