Weekly Newsletter

*FROM THE DESK OF MRS.
DURKIN*

April 12, 2023

During this busy week, let's remember, "I can do all things through Christ who gives me strength." Philippians 4:13

Dear SJR Families,

What a blessing that long after chocolate bunnies are eaten and egg hunts are over that the Easter season in the Church continues! The Easter season continues for us until the great feast of Pentecost. We have fifty days after Easter to be especially joyful!

Spring has sprung for sure! The weather this week prompted me to move up the date the students can wear summer uniforms. Your child can wear the summer uniform beginning tomorrow until the end of the school year. Another wonderful sign of spring is the beginning of the baseball season. The Phillies look like they might be coming together, having scored fifteen runs on Tuesday. Today we did our part to get into the spirit of things with our Phillies dress down day and ballpark lunch. Thank you to Mrs. Jackie Wise for chairing this event for the HSA!

I wanted to remind you that our final Home and School meeting has been moved to Thursday, May 4th. Please mark your calendar and plan to join us in the school cafeteria.

It's not too late to return your mission collection boxes which were sent home at the beginning of Lent.

I hope you have a blessed Easter season!
Gratefully,
Mrs. Durkin

Ordering closes on 4/19 at 11:59pm

EARTH DAY 2023

Help us celebrate **EARTH DAY** at SJR!

Throughout the month of April, we are asking students to get outside and appreciate the beauty of our Earth! What better time to see all that our planet has to offer than during the spring season!

In honor of **EARTH DAY** this year, our activity for the students will be to make posters full of natural materials from the Earth. Seeds, pebbles, feathers, flowers, twigs, leaves, etc. are some examples of materials we find in nature that create a beautiful landscape. The children can create a picture out of their materials or create something abstract, so be creative! They can also use markers, paint, etc to enhance their posters if they wish to, and may use any size poster, too!

As always, our **EARTH DAY** activity is optional, but encouraged! Posters can be brought in starting the first week of April and will be accepted up until Earth Day on April 22. We'll be filling our 1st floor halls with the posters, so please include your name and grade on the front of the poster. If you have any questions, please contact Kristi Brennan at kris1481@aol.com.

*All students who participate will receive a dress down day (date TBD)!

*The class with the highest percentage participation wins a Rita's water ice day!
