

St. Joseph/St. Robert School Newsletter

FROM THE DESK OF MRS. DURKIN
March 25, 2026

The mission of schools is to develop a sense of truth, of what is good and beautiful. And this takes place through a rich path made up of many ingredients. True education enables us to love life and opens us to the fullness of life.

— Pope Francis

Dear SJR Families,

The Sacrament of Confirmation is such a special milestone in the life of a young Catholic. It's a moment when our students are strengthened by the gifts of the Holy Spirit and take an important step in living out their faith more fully. We are so proud of our 7th graders who were confirmed by Archbishop Green this past weekend at St. Robert's Parish. It was a beautiful celebration, and we pray that the Holy Spirit continues to guide and inspire them as they grow in faith and service.

Our students have many opportunities to grow and shine outside the classroom. One of those is through the performing arts, where creativity, teamwork, and a lot of fun come together! Being part of a production like Mary Poppins, Jr. helps students build confidence, express themselves, and learn the value of working together toward a common goal. Whether they're on stage or behind the scenes, our performers and crew have shown great dedication and perseverance. From memorizing lines to building sets and managing backstage, every student plays an important role. We are so excited to see all their hard work come to life on stage!

Please plan to attend the performance – there is ticketing information in the newsletter.

It's hard to believe that Holy Week is here! I'm looking forward to what has become a tradition at SJR, our Seder Meal Reflection for the students in grades 3-8 next Wednesday morning. I'm also looking forward to a new event this year – The Easter Bonnet parade for Pre-K and Kindergarten is Wednesday morning, April 1, at 8:20a.m. It will be a festive, quick and adorable way to begin the day! There will be more information in an email for parents.

Gratefully,
Mrs. Durkin

This Week

Today marks the final day of Terra Nova testing! Make-up tests for students who were absent will take place over the next two days as needed. Students may continue to wear their gym uniforms throughout the week. Please note that the gym schedule will be adjusted on Thursday and Friday to accommodate our March Madness activities on Friday.

SJR at the Wings

Thank you again this year to Miss Bertram, SJR's biggest Wings fan. It was a smaller group that attended the game on March 8th this year but it was a great time! There was also a lot of really fun bonus activities.

PARENT SESSION

**LOCATION: HOLY FAMILY REGIONAL CATHOLIC SCHOOL
2477 TRENTON RD.
LEVITTOWN, PA 19056**

LEARN ABOUT RETHINKING BEHAVIOR BY LINKING BRAIN DEVELOPMENT, EMOTIONAL INTELLIGENCE, AND WELL-BEING STRATEGIES

Behavior is communication from a developing brain, yet it can be difficult to interpret in the moment. Parents and educators can work together to offer calm support, consistent boundaries, and simple tools for recognizing and managing emotions. This session translates brain and nervous system science into practical, everyday strategies and highlights what is typical at different ages. Families will leave with a few small shifts to try right away and a one-page resource to support continued practice.

We encourage both parents and educators to attend!
