

St. Joseph/St. Robert School Newsletter

FROM THE DESK OF MRS. DURKIN
March 18, 2026

The mission of schools is to develop a sense of truth, of what is good and beautiful. And this takes place through a rich path made up of many ingredients. True education enables us to love life and opens us to the fullness of life.

— Pope Francis

Dear SJR Families,

This week gives us two very different celebrations in the Church. St. Patrick's Day was hard to miss—full of green, energy, and a little extra fun for everyone. It's one of those days our students look forward to, and it brings a lot of joy into the building.

Then, tomorrow, we celebrate Feast of St. Joseph. It's much quieter, and honestly, much more meaningful to me. St. Joseph doesn't say a word in Scripture, but his life says everything. He shows up, works hard, takes care of his family, and does what God asks—without recognition or attention.

That kind of quiet, steady faith looks a lot like what our parents and teachers do every day—getting kids where they need to be, helping with schoolwork, balancing busy schedules, and just being there in all the ways that matter most.

As we move through this week, I'm glad we enjoyed the fun of St. Patrick's Day, but I'm looking forward to taking the day tomorrow to appreciate the quieter example of St. Joseph—the kind of faith that shows up day after day in simple, meaningful ways. You and your families will be in my prayers in a special way.

It's the perfect day for Pre-K to welcome dads and other special adults to school to celebrate!

Thanks for all you do.

Gratefully,
Mrs. Durkin

This Week

Today marks the start of TerraNova testing for students in grades 2–7. We appreciate your help in making sure students arrive on time, well rested, and ready to give their best. Testing week can be demanding, so we're pausing homework for these grades to help lighten the load. Students may also wear their gym uniform on test days if they would like. The final day of testing is next Wednesday, March 25th.
