FROM THE DESK OF MRS. DURKIN

October 28, 2026

The mission of schools is to develop a sense of truth, of what is good and beautiful. And this takes place through a rich path made up of many ingredients. True education enables us to love life and opens us to the fullness of life.
— Pope Francis

Dear SJR Families,

It was so nice to see our Pre-K and Kindergarten families at today's Halloween Parade! Halloween is so exciting for the little ones!

I'm also looking forward to tomorrow's Saint Parade, featuring our third graders dressed as the saints they chose to research and sharing what they've learned about them. This beautiful tradition reminds us that we are part of something much bigger than ourselves, connected across generations as brothers and sisters in Christ. The Communion of Saints is such a precious gift of our Catholic faith!

I'm also looking forward to seeing many of you during conferences on Thursday and Friday. While you're here, be sure to check out our Lost and Found table and stop by the pumpkin display created by our faculty and staff. Don't forget to vote for your favorite pumpkin!

Registration for Pre-K 3 and Pre-K 4 for next school year is now open! If you have a little one who will be ready to join us next year, we'd love to welcome them to SJR. Please spread the word to friends and neighbors who may be interested!

I hope you all enjoy the rest of the week!

Gratefully,
Mrs. Durkin

Prayers for Our Loved Ones Who Have Died:

This November we will remember our loved ones who have died as we pray for the faithful departed .

Please use the attached candle to write the name of a loved one who has died and color it before returning it to school. We will display the candles in our hallway as a reminder to keep these special people in our prayers. I will include them in our morning prayers. Feel free to print additional copies for other loved ones you would like to remember.

Please begin sending the completed candles to school next week.

Thank you for helping us honor those we love and keep their memories alive in our SJR community.

SJR's 2026–27 Annual Fund

We're relaunching the SJR Annual Fund, with a goal of raising $65,000 to support our students. A strong school community is built through the support we give one another and the experiences we create for our children. At SJR, students grow in faith, discover their strengths, and form friendships that can last a lifetime. We want every child to leave SJR prepared for long-term success and ready to make a difference in the world.

Annual Fund gifts support tuition assistance, classroom resources, capital improvements, and key priorities like launching a licensed Pre-K 3 program, transforming our learning spaces (starting with the LIBRARY!), and supporting the second year of our STREAM program.

You are welcome to consider making a gift at www.stjstr.org/giving. Thank you for all you do for SJR!
